About Us

Dating back to 1921, The New Forest & Hampshire County Show is a long established event held in the heart of the beautiful New Forest National Park. Whilst staying loyal to our traditions we have grown to become one of the top ten agricultural Shows in the Country with an average annual attendance of 98,000 visitors over three days.

We have a wide range of equine and livestock competitions which continue to grow in popularity as well as interesting and inspiring Show sections and attractions such as Local Food & Farming, Countryside Area and The Forest Fun Factory along with plenty of Main Ring entertainment. Combine that with over 600 tradestands selling a variety of products and services and we really do have something for everyone. We work hard to improve and develop the Show year on year to give our visitors new and exciting things to look forward to.

The Show is run by a registered charity, The New Forest Agricultural Show Society (Charity Number 1004255) whose charitable remit is to: ‘Promote and encourage the development of agriculture, forestry, equestrianism and horticulture in all their branches and generally to improve and encourage the improvement in the breeding of stock and the achievement of agriculture, forestry, equestrianism and horticulture generally’.

We are honoured to have Her Royal Highness the Countess of Wessex as our 2016 Show Society President and look forward to welcoming her to this year’s Show where she will be taking part in all aspects of the event.

Marketing and Publicity

The Show’s impact goes well beyond the three days. We work tirelessly on our marketing strategy to look at new and innovative ways to increase our profile and exposure to ensure the Show is at the forefront of people’s minds. We have excellent relations with press and media organisations both locally and more widely and our diverse PR campaign ranges from an extensive social media presence, e-newsletters, magazine and newspaper adverts to radio and television commercials. We are due to launch a brand new responsive website in February 2016.

We often feature our supporters and stand holders in editorial, e-newsletter articles and social media campaigns so you too could be a part of this.

Showground Access, Admission Tickets and Vehicle Passes

Access Times

Access to the Showground to construct stands is from Friday 22nd July at 9am or earlier by prior agreement. Please note that Showground access is restricted at night between 10pm and 7am before the Show.

During the Show gates will be open for access from 6am to 8am; this gives fifteen minutes (until 8.15am) for the unloading of stock and the removal of all vehicles to car parks, except for food deliveries which must be agreed in advance with the Show Office. A one way system for all traffic movements will be enforced pre-Show, during the Show and post Show.

Vehicle access will be restricted prior to the Show for vehicles not delivering stock to a stand. In this case a car park will be provided and passengers will be asked to enter the showground on foot. All vehicles must be removed to the car parks by 8.15am on Show days as public safety becomes paramount once the Showground is open.

Gates will reopen to allow vehicles onto the site at 6.30pm on Tuesday 26th July and Wednesday 27th July and then 7pm on Thursday 28th July subject to the number of public still within the showground.

The Society reserves the right to remove, forcibly if necessary, any unauthorised or illegally parked vehicles found within the showground or New Park.
The one-way system and strict speed limits must be adhered to at all times – see signs at all entrances.

**Vehicle Passes**
Access will be denied if correct vehicle passes are not clearly displayed at all times from Friday 22nd July. They must be attached to the inside of vehicle windscreens in an obvious location. Failure to abide by the above will result in delays in you being able to set up your stand.

All vehicle passes are valid for the vehicle only. The driver and all passengers must produce separate Admission Tickets or pay the appropriate charge on arrival. Vehicle passes are available either for direct access to the Showground (Red or Green Gate) or for direct access to the Exhibitors Car Park immediately adjacent to the Showground (Purple or Green).

**Admission Tickets**
Admission Tickets are required from Tuesday 26th July to Thursday 28th July 2016. A valid Admission Ticket must be surrendered for each individual requiring access to the showground on Show days or the appropriate gate fee paid.

All exhibitors will be issued with appropriate tickets in proportion to the space paid for (see price list for further details). These tickets are not transferable and will be sent to Exhibitors approximately four weeks before the Show. Additional Exhibitor tickets can be purchased from the Show Office at the reduced rate of £14.50.

**Pass Outs for use outside Show Opening Hours**
After 6.30pm on Tuesday 26th July and Wednesday 27th July a Pass Out system will be in operation for all vehicles and occupants wishing to leave the showground and return later in the evening. All vehicles must be in possession of a valid vehicle pass and report to Security at Red Gate on exit where they will be issued with a pass detailing the vehicle registration and number of occupants. Providing the vehicle and corresponding number of occupants return before 11pm on the same day re-entry will be permitted.
