NEW FOREST & HAMPSHIRE COUNTY SHOW

BLACKSMITH SECTION COMPETITION REGULATIONS

1. All items of ironwork to be delivered to the showground on the day before the show, which is Monday 23 July 2018. Items can also be accepted on Sunday 22 July 2018.
2. Competitors will have free entry to the showground but vehicles need to display the appropriate pass and car park colour. It is therefore important that the show receives entry forms by 11 July 2018 to provide enough mailing time. A personal visit to the show office is the only way to obtain the documents if mailing has not been achieved.
3. There is no limit to the number of entries per competitor. Each entry should primarily be constructed from ferrous materials. However, minor components from non-ferrous materials are accepted. Any mounting boards should have a respectable appearance on both front and back.
4. Prize winning entries from previous New Forest & Hampshire County Shows will not be accepted for re-entry.
5. Official numbered labels will be supplied and must be displayed on each entry. Tidy notes of historic interest regarding the exhibit will be welcome.
6. Whilst every care will be taken by the organisers to protect items from damage, loss or theft, the show cannot accept responsibility whilst items are in their possession.
7. The judges' decisions must be accepted as final.
8. Entries should not be removed before 6.30pm on the final day.
9. Winners of trophies will receive a letter in April of the following year, from the engravers, requesting that trophies are returned for the engraving to be done.
10. The committee reserves the right to reject entries if they contravene regulations.
11. Competitors are advised to bring their own tools and materials if entering classes 4, 5, 6 and 8.
12. Safe Working - The New Forest Show Society has a policy document which puts in place the requirements of the Health & Safety at Work Regulations and relevant Code of Practice. This is detailed in our Stewards' Handbook. In the blacksmith forge area, therefore, smiths must ensure that, as well as working safely themselves, they must not put other smiths or the watching public in danger. As a basic measure, the following points should be applied. Safety glasses, safety shoes or boots, and appropriate protective clothing should be worn. Only participating smiths, stewards and instructors should be within the working area. Care should be taken with the placement of tools and materials on the ground.
13. Accidents - All accidents are required to be reported in the Accident Book BI.510 in the showground office. Treatment for wounds is available at the showground first aid tent. A first aid box for minor injuries will be held in our marquee.

ENTRY FORM

Complete both sides of this page and return it with necessary fees.

To be returned to Show Administrator, The Showground, New Park, Brockenhurst, Hampshire, SO42 7QH. Tel: 01590 622400

The Show runs from Tuesday July 24th to Thursday July 26th. Whilst there is no cut off date for entries, you are advised to return the entry form by 11th July to allow time for the Show Office to mail a Show Entry Pass to you.

The Show Entry Pass allows access to the showground when you bring in your exhibits. If you do not have one then you will need to, first, park in the public car park and then call into the Show Office to get the pass.

Additional entries can be made when those previously entered are brought to the showground. This can be done at the Blacksmiths marquee.

Please note that the Show Office deals with all administrative matters. For queries about arrangements at the Blacksmiths marquee contact the Section Chairman John Roberts tel. 02380 848 831

Entries must be on site Monday, 23rd July 2018. They may also be brought on Sunday 22nd July.
