

The Samantha & Florence Bailey BURSARY

The aim of the bursary is to support young people in agricultural education.

Supported and administered by The New Forest Agricultural Show Society the project has two aims:

Fund students attending agricultural college, allowing them to begin a career in agriculture

Pay for applicants to attend short courses that will benefit their career in agriculture

WHO CAN APPLY FOR FUNDING ?

The Bursary is for applicants based in Hampshire who can demonstrate the course will benefit their long-term future in Agriculture. A selection committee will decide which applicants are successful and priority will be given to those who can demonstrate they can make the most out of the Bursary.

GUIDELINES FOR APPLICANTS

Applicants should demonstrate how the grant will help their career in agriculture and personal development. This could mean attending training courses or college.

We would favour applications

- From individuals who have not received funding
- Where individuals also contribute to the funding
- With strong connections to Hampshire
- Where the individual has supported or will support in future NFASS activities
- We would not usually consider applications from individuals in employment where their employer is able to support the individual

Once the Application Form has been completed, it should be sent to Denis Dooley, Chief Executive, New Forest Agricultural Show Society, The Showground, New Park, Brockenhurst, Hampshire SO42 7QH or email to denis@newforestshow.co.uk
