About us

Dating back to 1920, The New Forest & Hampshire County Show is a long established event held in the heart of the beautiful New Forest National Park. Whilst staying loyal to our traditions we have grown to become one of the top ten agricultural Shows in the Country with an average annual attendance of 91,000 visitors over three days.

We have a wide range of equine and livestock competitions which continue to grow in popularity as well as interesting and inspiring Show sections and attractions such as the Local Produce Market, Countryside Area and children's Discovery Zone along with plenty of Main Ring entertainment. Combine that with over 600 tradestands selling a variety of products and services and we really do have something for everyone. We work hard to improve and develop the Show year on year to give our visitors new and exciting things to look forward to.

The Show is run by a registered charity, The New Forest Agricultural Show Society (Charity Number 1004255) whose charitable remit is to: 'Promote and encourage the development of agriculture, forestry, equestrianism and horticulture in all their branches and generally to improve and encourage the improvement in the breeding of stock and the achievement of agriculture, forestry, equestrianism and horticulture generally'.

We have excellent relations with press and media organisations both locally and more widely and our diverse PR campaign ranges from an extensive social media presence, e-newsletters, magazine and newspaper adverts to radio and television commercials.

We often feature our supporters and stand holders in editorial, e-newsletter articles and social media campaigns so you too could be a part of this.

night between 10pm and 7am before the Show. On Show days gates will be open for access from 6.00am to 7.45am; this gives fifteen minutes (until 8am) for the unloading of stock and the removal of all vehicles to car parks, except for food deliveries which must be agreed in advance with the Show Office. Vehicle Passes

Access will be denied if correct vehicle passes are not clearly displayed at all times. They must be attached to the inside of vehicle windscreens in an obvious location. The driver and all passengers must produce separate Admission Tickets or pay the appropriate charge on arrival. Vehicle passes are available either for direct access to the Showground (Red or Green Gate) or for direct access to the Exhibitors Car Park immediately adjacent to the Showground (Purple or Green).
