The Best Pen of The Day will be awarded to the shepherd in charge of the tidiest and best presented/most informative pen.

MV/Non MV Accredited Sheep: In order to make the management of the Sheep Lines easier, the Sheep Committee have decided that only MV Accredited sheep will be allowed into the sheep marquees on Monday afternoon and Tuesday. Vehicle passes will be issued for those transporting sheep and those directly associated with camping may remain. There will be no movement of vehicles after 9.00 pm (emergencies excepted).
