A WORLD OF FOREST FUN!

ABOUT US

The New Forest and Hampshire County Show is a spectacular 3-day annual event for all the family, held in the heart of the beautiful New Forest National Park, attracting over 95,000 visitors.

Over the last 104 years we have grown to become the largest agricultural show in the highly affluent 'South of England', successfully combining tradition with a fresh modern focus.

The show offers an eclectic mix of entertainment, from spectacular main ring attractions and competitions, to live music, farming displays and interactive areas. Not forgetting the fabulous shopping opportunities with over 600 trade stands and craft stalls and the huge variety of delicious local foods on offer.

The New Forest & Hampshire County Show helps to raise funds to support the New Forest Agricultural Show Society and other local and national charitable organisations.

The New Forest Agricultural Show Society is a private company limited by guarantee.
